BADYA
UNIVERSITY

WHO WE ARE

Badya University is a premier higher education private institution located in the heart of Cairo's western suburbs, within the visionary city of Badya. Designed to serve 12,500 students, the university hosts six distinguished academic schools, each committed to delivering a future-focused educational experience.

More than just academics, Badya fosters personal growth, vibrant campus life, a strong sense of community, and real-world readiness through strategic industry partnerships.
